EVENT

For the third consecutive year, the General Shareholders' Meeting was held under the 'Erronka Garbia' seal, minimizing negative impact on the environment.

"All the targets achieved and challenges assumed result from a committed team supported by the trust of our shareholders and investors. In this context, we are building up the loyalty of our clients, who are helping us to continue growing. Every one of those persons trusting us forms part of the success of the Euskaltel Group."

Alberto García Erauzkin, President of the Euskaltel Group

"2018 has been the year we began to lay the foundations not just to be the leading operator in the north of Spain, but one of the principal operators with nationwide coverage. It has also been the year of transformation. Thanks to the business strategy (for 2018-2022) that we prepared, the steps we have taken have been increasingly firm, and we are ready to confront the challenges of the sector with great potential and future growth."

Francisco Arteché, Executive Director of the Euskaltel Group
